

Membrane Society of Australasia

# MSA Student Symposium 2010

18-20 February 2010  
@ University of Wollongong,  
Innovation Campus, Australia  
Cost: free for members of MSA

Membrane Applications and Advanced Materials:  
addressing issues in **energy**, **food**, and **water**

energy

food

water

<http://www.membrane-australasia.org/symposium2010/>

Guest Speakers include:

Prof. Gordon Wallace

Prof. Tony Fane

Prof. Rose Amal

The Membrane Society of Australasia is organising its first symposium for Australasian and International students in the broad fields of:

- Membrane Science
- Porous Materials
- Biological Membranes

Sponsored by:

CSIRO

National Research  
**FLAGSHIPS**  
Water for a Healthy Country

CSIRO

National Research  
**FLAGSHIPS**  
Energy Transformed

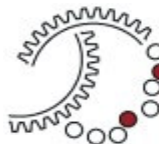

CSIRO

Advanced  
Materials

CSIRO

Australian Research Council  
**Nanotechnology Network**

DAIRY INNOVATION

AUSTRALIA

**NMG**

NanoMechanics Group

**DOW**

Water & Process Solutions
